## It looks like fun. How can I play bowls?

We're getting lots of enquiries from people who want to bowl. There are lots of options:

1. Phone and organize a time that suits you, to join up and have your first lesson.
2. Come to dinner on a Friday night, join up as a bowling member and choose a date for coaching.
3. Wander down on a Saturday afternoon, meet some old gang and join up.
4. Come to barefoot bowls on Sunday 3-6 pm and give it a go.
5. Sign up for summer bowls on Friday evening.....more about this one later..

## Play area

The beautiful greens at The Beecroft Club are dedicated to lawn bowls.

As we re-invigorate the Club, we want the community to feel welcome to join, whether as playing members or social.

We have set aside an area at the end of the verandah for children to play while their parents play bowls or relax with a meal or a drink.

To launch the project, the State Liberal Party, through the Member for Epping (Damien Tudehope) and candidate for Epping (Dominic Perrottet) have contributed a grant of \$5,000.

Thanks to the generosity of some local business we have turned the first sod

- **The Tree Cutting Company has removed the hedges**
- **Pearce and Sons Projects have removed the rocks and levelled the area.**

What can you do to help? Do you have some unused play equipment we could use?
